About Folk Camps Society Limited

Folk Camps Society is a registered charity and non-profit making organisation promoting traditional folk song, dance and music.

Our camps are informal and fun and you don't necessarily need a partner to join in. There are no strings (apart from the ones on the instruments) and the only condition is that you help with jobs that need doing to make the camp run smoothly. These will be allocated by the camp warden and cannot be "reserved" in advance.

Without everyone's co-operation folk camps could not run because there are no paid staff – everything we do is done with voluntary labour.

The staff

The camp leader is in charge of the camp's social activities, the musicians take responsibility for organising music, the wardens for domestic arrangements & the caterers oversee the kitchen and food supplies.

The site & facilities

The camping site is an attractive peaceful spot set in quiet farmland. Hot and cold water and toilet facilities including disabled access are provided. Showers, washing up and some laundry facilities are provided

What to bring with you

Your tent, campervan or caravan, personal toilet requisites, a set of cutlery and crockery per person, tea towels, a box for packed lunches and drinks container, wellies and a torch are all essential items. Please also bring a fire extinguisher or a fire bucket to keep by your tent or caravan.

Catering arrangements

Breakfast Cereal, hot dish, bread & spreads, and hot drinks.

Lunch Normally a choice of cold meats, cheese, salad etc and the option of a packed lunch if you want to head off for the day.

Evening Meal A wholesome 2 course meal plus bread and spreads and drinks.

The daily programme

Mornings are usually taken up with workshops. Afternoons are generally free for

sightseeing but more activities might be organised later on. In the evening there may be singing games and dancing for children, which will be followed by dancing and singing for everyone.

Health & Safety on site

Parents are reminded that all children under 18 remain their responsibility at all times.

Dogs must be kept on leads and under control at all times and inadvertent messes must be cleared up immediately.

There are specific areas which have added dangers on catered camp sites. These include the kitchen, washing up areas and areas around the toilets and shower areas. Great care should be taken to ensure safety in these areas.

Washing up area / showers – children under 16 are not allowed to collect water from hot water boilers. Care should be taken when water is taken from the boilers and boilers should be refilled to marked levels each time hot water is taken.

Kitchen – no under 16s allowed in the kitchen areas at any time.

There is a 5mph speed limit on the camp site. No uninsured or learner driving allowed on site at any time.

Vehicles are not allowed near the marquee unless delivering or collecting materials at the warden's discretion or specifically for access for people with limited mobility. Great care should be taken when driving close to the marquee and parking should be in marked bays or parallel to the side walls.

Additional safety information will be given at the camp meeting and also will be displayed on a board in the hall with site specific information.
