

Outreach Proposal Application

Use this form to make an application for Outreach project funding from the Arts Council during 2021

Folk Camps Society have defined Outreach as

1. The act of promoting camps to people who otherwise would not have access to them - so reaching beyond our normal extent.
2. The support of projects that provide personal or group development opportunities whilst pursuing the folk camps objects of sharing folk music, dance and song with external audiences and groups.

As these projects often require funding, we welcome applications from Folk Campers who have an idea for an Outreach project during 2021 as part of a test funding bid to the Arts Council. We will select the best ideas, a maximum of 3, to put forward to the bid. The Folk Camps Outreach Working Group will propose the ideas to Council and the Folk Camps Council will decide which bids to put forward using the information provided in this form plus follow up information requested once initial ideas have been submitted. Please submit your proposed project by providing the information below by Fri 9th April 2021
