

Folk Camps 2021 AGM Resolutions

Resolution 1: To adopt the annual report and accounts for 2021

Resolution 2: To appoint Lightwater Accountants as accountants for the financial year to 31 August 2022

Notes

For Resolution 1

The draft annual report and accounts are on the website at <http://www.folkcamps.co.uk/reunion-agm/>

For Resolution 2

Council is recommending we switch accountants to reduce our costs. Lightwater Accountants come highly recommended.

Sarah Hardy was previously an auditor with a large firm, and has now gone solo. She continues to provide auditing as well as accountancy services.

If approved by the AGM, Folk Camps will benefit from a considerable saving in costs.

It is also established good governance to refresh an organisation's accountant from time to time.
